

A Proven Solution

PowerSchool

PowerSchool® is the leading and fastest growing student information system (SIS) available today, supporting 12 million students in all 50 states and over 65 foreign countries. Last year, more schools and districts selected PowerSchool than any other SIS product on the market. Today, PowerSchool supports a wide range of implementations – including schools as small as 25 students, districts as large as 80,000 students, and statewide deployments.

Impact to Student Achievement

The deep functions of PowerSchool allow today's educators to make real-time decisions about each student while creating a collaborative environment for parents, teachers, and students. Access to real-time information allows student performance to be addressed in a timely manner.

Easy to Learn, Easy to Use

By leveraging the latest web technologies and evolving web design standards, PowerSchool presents users with a clean interface that is easy to learn and easy to use. With over a decade of experience as a completely web-based system, PowerSchool stands alone as the deepest and most flexible SIS available to meet the needs of K-12 schools and districts. Through SIF® Compliance, an open platform, and the ability to share enhancements with other users, PowerSchool allows each customer to easily tailor the best solution for their needs.

Meals Plus

At Meals Plus, we believe in strong customer support and have proven success in our 99%+ customer retention track record. Our comprehensive, integrated solutions are designed to help school district productivity with a minimum level of upkeep and a maximum level of satisfaction.

The Secret of a Well-Run Cafeteria

It's not much of a secret at all. Meals Plus has what's important to you – ease of use, breakthrough customer support and advanced technology, making it the premier K-12 cafeteria software available!

Since the beginning, Meals Plus' single focus has been K-12 cafeterias. The complete understanding of district cafeterias' specific technology needs is what separates Meals Plus from the rest. Meals Plus' exclusive focus on K-12 schools makes it the right choice for your nutrition department.

Accessible Help When You Need It

Software is only as good as the technical support that stands behind it. Part of what makes software EASY is being able to get help when you need it. And according to our customers, that is the top feature in Meals Plus.

Meals Plus consistently boasts the highest staff to customer ratio in the business. On a typical day, calls are answered in less than ten seconds. But our help desk isn't just fast; more importantly they are well-trained and knowledgeable.

PowerSchool® Partner

About Pearson

As the industry leader in SIS and performance solutions, Pearson offers schools and districts access to deep expertise and an unparalleled selection of technologies that address the challenges of achievement, reporting, growth, and scalability. Our student information systems enable schools and districts to leverage technology to ease reporting burdens, open up lines of communication, and simplify internal processes, such as scheduling and grading.

We believe that providing today's schools and districts with a choice of flexible, interoperable, and customizable technology solutions is critical to establishing the infrastructure needed to power performance across all stakeholder groups, be it schools, districts, administrators, teachers, or students.
